

# Championship Sponsorship

## 9th, 10th & 11th December 2016

Dressage Waitemata's mission is to deliver quality dressage competition, administration and education to enable competitors and non-riding members to participate, compete and succeed to the level of their choice.

It is the responsibility of Dressage Waitemata to promote dressage & registered competition to riders. The heart and soul of Dressage are the many volunteers - officials, delegates, judges & committee - who give their time so that riders - amateur and professional - can enjoy their sport.

To achieve our goals, amongst other things, we hold 4 one day local events during the season along with our major 3 day Championship Show. The 3 day show includes qualifying classes for the Island & National Shows later in the year and is an important part of the NZ Dressage calendar.

As with most sports groups we have a fantastic & committed group of volunteers who make up our organizing committee. We receive no funding from the government or local bodies so therefore we must run our events on a tight budget to at least break even, if not return a small profit to enable us to fund training & education for our riders & officials. We must provide opportunities for all levels and ages of riders within our events & maintain the standards set by our governing body, Dressage NZ.

We would like to invite you to support us, through sponsorship at our Championship Show, enabling us to continue to run this event & support our local and visiting riders.

Please see our 2016 sponsorship options on the following page.
