### Horses on Grounds

Only horses competing in the championship show may be on the grounds during the show unless permission has been obtained from the O.C prior to the event.

### Yarding

---

A yarding list will be posted by the yards, office and toilet block. Yarding must be paid for regardless of how long your horse is in there for. We have a limited number of covered yards, if you have paid for a covered yard but have been allocated a uncovered yard please see the office during the show for your refund. PLEASE LEAVE YOUR YARD CLEAN, fines will be issued to riders who leave their yards full of poo. Please use yard allocated to you, if your yard is not safe or usable for any reason please contact the office.

### Show Grounds

---

The grounds will only be open from midday Thursday.

## Warm Up

---

Please remind your trainers/ coaches that for safety reasons if they are warming you up they must stand at the edge of the warm up. We don't want to have to come out and ask them to move as this usually offends.

## Lunging

---

Please use the grass area beyond arena 5 & 6, past the water jump.

## Prizegiving

There will be an unmounted prizegiving Saturday afternoon at 4.00pm and the final prizegiving on Sunday afternoon at 3pm. Please check your programme and noticeboard for more details plus lists of who needs to attend.
